

Name _____

Chemistry Tech Scavenger Hunt

In this scavenger hunt, you will explore our Google Classroom structure and my class website Starpointlearns.weebly.com! You will need to build confidence navigating each of these locations for use throughout the year!

Begin...

Open **Google Classroom** to our Regent Chemistry class, then advance!

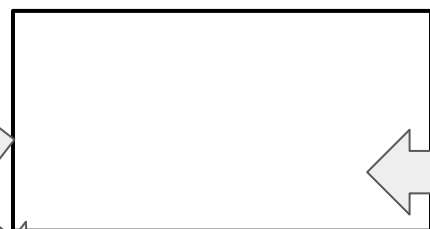

What three assignments are posted for completion this week?

1. _____
2. _____
3. _____

Navigate to "The Stream" and click on the shared link to my class website, or type: Starpointlearns.weebly.com.

Bookmark this page now with Control + D.

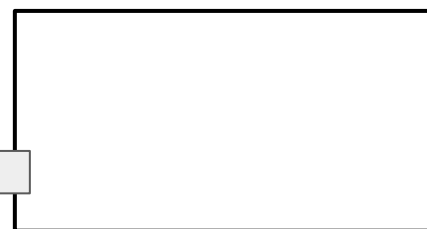

What happens when you click on "Send Email" under **Reference Material**?

Scroll down and select "Regents Chemistry," then click on the "Daily Agenda." **Describe what you find there:**

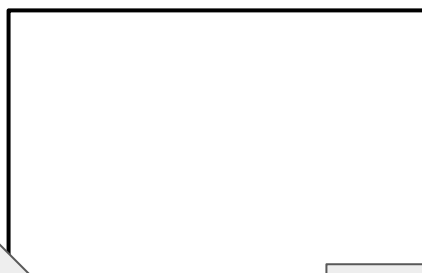

List your favorite "saying" that is flashing on my bitmoji classroom whiteboard:

Return to "Regents Chemistry" and click on "Lesson Resources Website." **What is the objective listed for today?**

What is your homework for today?

Write the heading shared in purple.

You can access this for EVERYDAY of our year. If absent, start here!

You will use these resources nearly everyday in my class! Please let me know any questions you may have :)

Click the **StarpointLearns** to return home. Click on "Moment of Zen." **Click on "Explore!" What happens?**

Return to the chemistry page. Scroll down. Click on **Unit 2: Matter and Energy**. What is the **third** term shared in the "Vocabulary Quizlet?"

End!
